THE MODERATOR: What are your thoughts after the match, after having the lead?

MIKAEL YMER: Yeah, tough. Tough that it didn't go my way today.

THE MODERATOR: What do you think was the key of the match?

MIKAEL YMER: What do you mean?

THE MODERATOR: What did you start doing different or you saw something in Bublik different?

MIKAEL YMER: He was serving very good today so it made it tough for me to get a lot of chances. The few ones I got, I didn't take. Then momentum shifted.

THE MODERATOR: Questions, please.

Q. Two years ago I asked you how you find this new format of the Davis Cup. What are your opinions now?

MIKAEL YMER: Well, I don't have anything against it. I guess they're trying to develop tennis and do what they think is best. Yeah, I just show up and play.
