So, yeah, I'm so happy that I'm giving you interview that I'm the winner.

**Q. What did you tell yourself in the second set when it was so tight?**

TOMAS MACHAC: I was really happy that I turn around the match in the second set. I was losing 3-5. I was playing good the game. I hit the ball every time on the court, so he had to play. He made some mistakes.

I was happy it was 4-5, I was serving. Then I was playing really good. Played every point without any mistakes. I think there was just one mistake.
