THE MODERATOR: We'll start with questions in English just to comment about the match. If you can tell us your thoughts about the whole match.

CAPTAIN PARK: (Through translation.) It was very challenging a match. I'm very, very proud of my team, all of my players. Of course, they gave everything till the end. I'm going to be well-prepared for the next match, which is ahead this week.

THE MODERATOR: Captain, can you analyze the tie. It's obviously a defeat, but it's 2-1. How can you prepare for the next tie?

CAPTAIN PARK: (Through translation.) As far as I know, the Canadian opponents, they have strength and power. We had a great experience. We're going to use all the experience to prepare for the next match.

THE MODERATOR: Thank you.
