THE MODERATOR: In your opinion, what were the things that worked and didn't work today for you?

SEONG CHAN HONG: (Through translation.) Well, first of all, I feel really lucky to participate in this Davis Cup for the first time. Of course, it was a lot of pressure to play in front of a lot of spectators.

I focused on my own play. Also I'm in the middle of learning, having this experience, to play better in the future. This all happens and I really, really appreciate it.
