THE MODERATOR: For the doubles team, I want to know your thoughts about the match today, what worked and what didn't work in the match?

FILIP KRAJINOVIC: It was important to play doubles. We didn't really care about results. Of course, we always want to win, but it was fast, doesn't matter because we won the tie. We just want to see how we going to feel on the court, me and Nikola.

We tried some new things. I think it's important that we play. Okay, we don't want to lose, but we don't really care right now about that. We are focused more on Saturday. That's for us really important right now.

Q. Captain, can you talk about the tie, how important is the victory today for the Serbian team.

CAPTAIN TROICKI: Well, it was a must-win. In this tie we had to win, and we knew that. There was, let's say, pressure on the guys. Luckily both Dusan and Miomir played amazing matches. Let's say they were favorites, but still under pressure, playing for the nation, it's not easy.

Miomir's first win in Davis Cup. I want to congratulate him for playing a great match.

As Filip said, after singles we were already thinking ahead on Saturday's match against Canada. It's good thing we have a day of rest tomorrow to recuperate and then get ready for next match.
