THE MODERATOR: How did it feel today? Matteo played an amazing match. Did he surprise you with his level?

SEBASTIAN BAEZ: No. He plays really well today. Well, when we start, is only just one or two balls. He plays better than me today. For some moments, I have no play to take the best decisions.

In this court, on this level, it's all on maximum focus. I just tried to learn a lot today, and to do better, if it's not tomorrow, then my career, because I just starting.
