THE MODERATOR: I would like to ask you, Roberto, what are your thoughts about the match today?

ROBERTO BAUTISTA AGUT: Well, today was a tough match. He was serving very well, going for the shots. I had to turn around the score after losing the first set.

Very happy to give the first point to Spain, and also to finish the match after losing the first set.

THE MODERATOR: You talked the other day about the court, the heat during the match. How did you feel today?

ROBERTO BAUTISTA AGUT: Well, today I felt well on the court. Yesterday I talked about the heat, but I also said I played good tennis on these conditions.

Today was a good match.
