THE MODERATOR: We will start with questions in English.

First of all, I would like to know, Roberto, you have won the three matches that you played, but how important was this match today? How did you feel on court?

ROBERTO BAUTISTA AGUT: I think I played very good during whole week. I felt really good on the court.

I played a good level of tennis, and we all know that Spain has to win today to go to Malaga, so the tie today is very important for us. I'm happy that I gave the first point for my team.

THE MODERATOR: You play almost home. How important is the crowd in these ties, in these matches?

ROBERTO BAUTISTA AGUT: It was really nice to play in Spain, to play in Valencia, with my family and my friends in the crowd and a lot of people I know supporting us.

Me, myself, I was playing with a lot of motivation. I was very happy to play Davis Cup at home and I really enjoyed during the whole week.
