THE MODERATOR: Tough loss, but two wins, one loss this week. How do you assess your performance? I think you should be taking positives from this.

ELIAS YMER: Yeah, of course. I think it was a good week. I've been playing pretty well. I found some things in my game that really works.

I mean, today Matteo was serving amazing. I think he had 75% first serves. Not to do too much.

Overall it's a positive week.

THE MODERATOR: Do you think playing Davis Cup brings an extra push in you compared to the tour, or there's no difference?

ELIAS YMER: No, I don't know. I know I have the game, so it's not about the game. I think when I get to play the better guys all the time in a competitive environment, I raise my level.

I think the key is to be around these guys all the time, then I think I can elevate my game even more.
