THE MODERATOR: I'd just like to ask the doubles teams how they felt today on court, because they play very hard and they fight against the Spaniards. How did it feel on court?

MIN-KYU SONG: (Through translation.) Of course we knew that the Spanish team is one of the strongest team, and of course we're not very happy with the last set, because our concentration really going low, so it didn't go well.

But this is a great step of Korean history. It's going to be a great experience of all of our teammates, and we are going to set goal for it because we realize that we are not that far.

THE MODERATOR: For the captain, after this week here in Valencia in the Davis Cup, what is your overview about your team?

CAPTAIN PARK: (Through translation.) First of all, we are very happy to participate in this big event as a qualifier. Of course just the playing itself is a great honor for all of us and is a big step, as I told you before, in Korean tennis history.

Of course a special memory and opportunity and experience for all team players. Over the week I really appreciate all the staff who prepared to participate in this biggest event.

No regrets, and I'm so proud of my players.
