THE MODERATOR: What are your thoughts around the match after the lead you had in the second set? Very, very tight match. Were you surprised with his level? Do you think you found your own level?

LORENZO MUSETTI: I think Taylor played, I mean, he showed that he's really in good form. I mean, he showed even last week. He played really good. Was I think even tough for him, especially the first set. At the end I had my chances. I mean, I didn't take it. But tennis is like this.

I tried to be brave, to be aggressive on his second serve, and didn't play. But I was a little bit maybe in a rush, and he deserved the win.

We are here to try to play our best, and he showed that at the moment he's better than me.
