THE MODERATOR: Commiseration for the defeat. How did you feel today on court?

YSALINE BONAVENTURE: Obviously not great. Not my best match and my best day. I think I didn't have any moment where I was feeling good. I think that showed also.

I tried my best. I tried to fight. I tried to stay positive, but, yeah, it wasn't enough today.

THE MODERATOR: The second set was much closer than the first one. What did you do different or did you see your opponent doing different in that set that brought you so close to a set?

YSALINE BONAVENTURE: First of all, I started serving a little better. Yeah, I mean, I started to make more balls.

She served great in the first set. Not as great in the second. That's what also helped me a little.
