THE MODERATOR: We will start with English questions, please.

Q. I know it's difficult when you've just come off court half an hour ago, but could I just ask for your reflections on your match tonight, please?

REBEKA MASAROVA: My thoughts? Yeah, I mean, I'm not very happy with my level, the way I played, but I think she played very great. It was not easy to play against a player like her in a situation like that.

So, yeah, obviously congrats to her. I wish I would have played better, but I tried everything. I fought until the end. Yeah, try to do better next time.

Q. I imagine you've got full confidence in your teammates to be able to level matters and perhaps still win this tie?

REBEKA MASAROVA: Yeah, I mean, obviously I have a lot of confidence in my teammates. It's not easy. It's a difficult match, but yeah, I'll go as soon as I can to cheer on Sara, yeah.
