THE MODERATOR: What are your thoughts about the match? What was the key in this match?

NAO HIBINO: It was tough match. One thing I'm regret about is I couldn't control my emotion. You cannot do well while holding your anger.

She control her emotion better than me, so that was the key for the match, yeah.

THE MODERATOR: How difficult is it to start these kind of competitions and start the tie? How do you manage the pressure?

NAO HIBINO: Yeah, I wish I could do better today, but how? If I know how to do it, I did better today (smiling).
