## Q. Thoughts about the match.

ELISABETTA COCCIARETTO: It was a tough match. She played really well. She's a really good player in good form. I mean, I'm a little bit sad about the loss, because of course we play not just for ourself but for my country.

But anyway, she was really good today, and, I mean, I'm happy for the fight that I put on the court. Maybe I need to play more aggressive, but anyway, it's a lesson. It keep me forward to be a better player and to improve.
