## Q. (Question about the match.)

VIKTORIA HRUNCAKOVA: I'm so happy with the way I played and with the fact that I could win the first point for us against Australia. I think it's very important for our confidence as well in this tie.

I really gave everything I have, all my heart, and I'm just so happy that I won. I'm looking forward to watch Rebecca and support her as much as I can, and the whole team will, as well, and we're going to do everything we possibly can to win this tie.
