THE MODERATOR: Thoughts on your match.

BARBORA KREJCKIKOVA: I mean, yeah, it was a tough match today. I mean, it was a tough day for me.

I mean, definitely wasn't my best performance, but I have to look at everything in a positive way. I mean, I'm still playing doubles here. I'll still try to get used to the conditions.

Also, I mean, I have to look to the last two weeks, like the weeks that I played indoors, I was doing really well. I'm not really thinking about this match in a negative way. I mean, it just happens sometimes to have a bad day.

THE MODERATOR: Anything in particular about the conditions that were a struggle for you?

BARBORA KREJCKIKOVA: I mean, it's tough to say. During the practice, everything was fine. I think I was playing well. But, I mean, then today, I don't really know what happened. I just was trying everything, but nothing was working.

I mean, definitely I feel sad about it. But, yeah, I mean, that's tennis. That's just the game. Yeah, there's going to be another tournament soon, so I just try to think positive.
