Q. (No microphone.)

JANNIK SINNER: It's important, the recovery. Obviously it's going to be a different match, a tough match, but I'm looking forward to it, and then we'll see what I can do.

Q. It was a very comprehensive performance today, what do you feel you still have to improve after such a win like this?

JANNIK SINNER: We just talked a little bit, for the return game, you know, the return itself, for sure it has to be a little bit better, slightly better, but the rest I felt like it was working quite well today. But it's of course a bit different because, you know, when you break quite early in each set, then it gives you a bit more confidence.

Q. You played a lot of tennis lately, are you still feeling fresh?

JANNIK SINNER: Yeah, I mean, I'm just happy to be on court, and hopefully I can play some good tennis, which this is the most important part for me, and hopefully I can do it. Obviously what's coming tomorrow, as I said, it's going to be a different match, but, yeah, I'm looking forward to it.
