THE MODERATOR: Congratulations. Fantastic win. Just talk us through your very hard-fought match today.

ENA SHIBAHARA: Yeah, it was a really good match. We haven't really played, like, two matches in a day, so I think it was both physically and mentally challenging for us, but I think regardless of that, we played pretty well. Our opponents were hitting pretty, like, big shots.

I think we just had to play our game and try and be as aggressive as we can. I think we did well.
