THE MODERATOR: Questions, please.

Q. That was a very close and a very good win for you out there today. What worked well for you out there?

STEFANO TRAVAGLIA: It was a really complicated day because two matches in one day, matches like at that level. It was really tough, but I think I adapted very good, and I played my best tennis today, more in the third set against Hurkacz. But thinking for tomorrow, I hope to play like this.
