THE MODERATOR: Questions, please.

Q. Talk me through your game today.

JUAN SEBASTIAN CABAL: We have a good match, tough one. Certain points we fight for it. We give the cop great shots to Jamie and Bruno. They played a great match. Especially in tight moments they have really good points on their way. So it's good. We are really happy for the match that we got before the Australian Open, so looking forward to start the tournament.
