Ugo Humbert

Press Conference

THE MODERATOR: We have Ugo Humbert with us. How are you feeling leading into the tournament?

UGO HUMBERT: I'm feeling really good. I was in Brisbane. It was not the best preparation. I'm ready to play here. I'm really happy to be back in Melbourne.

THE MODERATOR: Questions, please.

Q. What is your favorite part about Australia?

UGO HUMBERT: I think the atmosphere. I really like the crowd here, the people are always very excited to see some tennis. It's great to be on court.

Q. You had a great year last year. How excited are you to continue pushing forward?

UGO HUMBERT: Yeah, I want to continue what I did really well last year. I did great work with my coach Jeremy, so it will be fun to play another year, another season.

Q. How fun has it been with Jeremy as your coach, a guy who was a player?

UGO HUMBERT: It's my coach, it's my friend. We have a really good relationship. It's always nice to spend some time with him on court and off the court.
