6-3, 6-4

THE MODERATOR: Varvara, congrats on the win today.
How did you feel on court?

VARVARA GRACHEVA: Well, honestly for the first match, a lot of stress. Yeah, I was feeling that not really confident and comfortable, but I was stable during this match, what finally mattered. It brought me the win today. So, yeah, maybe could have been a little bit better, but in general, it was great.
