THE MODERATOR: Congratulations on progressing through to the second round of the Australian Open. Just tell us about how the match was and how you were able to deal with the momentum swings in that match against the hometown favorite.

JAN-LENNARD STRUFF: Yeah, it was crazy match. Very close one. Very happy I came to the second round just for the second time in my career here.

So, yeah, obviously very tough match with a lot of fans cheering for the Aussie guy. A lot of Germans there, as well. But yeah, was tough crowd, tough conditions. Rinky played a great match, I feel like.

Just happy I went through and won it.
