## Oceane Dodin

Press Conference

O. DODIN/L. Zhu

6-4, 6-3

THE MODERATOR: Oceane, what a match today. How does it feel to win your first round today at the Australian Open?

OCEANE DODIN: I'm really happy. It was a difficult match. I knew it before the match, but I had to be very aggressive. I'm just very happy to be able to finish the match after my three match point. I was shaking. I was, like, okay, I need to go for it. I'm just very happy about this win.
