KRAWCZYK-SHIBAHARA/Khromacheva-Kolodziejova

6-1, 6-4

THE MODERATOR: Congratulations. How are you feeling after that win?

ENA SHIBAHARA: Really good. We're practicing for a long time. I feel like we just had a whole week to train, and then we were just really anxious and excited to start playing.

I felt that really showed on court today, and we were just really excited to be out there. I felt like that connected to our great plays today. It was a little windy, but we just managed well and committed to our plays. So just happy with the win.
