6-7, 6-3, 6-1

THE MODERATOR: Anna, obviously not the way you wanted to end your tournament here, but can you give us a few reflections on your time at the Australian Open this year, and also explain a little bit about the injury you might have had in that third set.

ANNA KALINSKAYA: Yeah, overall, I'm very happy with my performance. I have never been in the quarterfinals, so I will take more positive things from this tournament, definitely, than negative.

Of course I wish I could still pass this round and play semifinal, but it's a game. And yeah, in the end of the first set, I would say I felt my hip flexor. Maybe just sore and overloaded. I will see how I feel tomorrow morning, and I hope it's nothing serious.
