6-4, 6-1, 6-3

THE MODERATOR: Questions, please.

**Q. What can you say about this loss? How do you analyze it?**

FABIO FOGNINI: Well, analysis is clear: I play very bad tennis today. I don't know how to win. I mean, he was really solid. He's really in confidence. I play really bad. That's all.

**Q. How can you say about the younger Italian guys like Jannik and Lorenzo?**

FABIO FOGNINI: Basta, basta. You meet me always the same question, guys. You know already. Too worry to answer you every time the same question. I tell you one million times in one month. Just copy and paste to Italian press. Copy to Christophe what I say.
