## Kaia Kanepi

Press Conference

**ROLAND-GARROS**

K. KANEPI/G. Muguruza

2-6, 6-3, 6-4

THE MODERATOR: So a word about your game. Tough game, tough beginning and then at the end it was great. What worked today, the head or the legs or both.

KAIA KANEPI: I think both worked. Not in the beginning, actually, I felt a bit tight and I didn't feel comfortable on the court with my shots and my serve and then after I found some kind of rhythm.

THE MODERATOR: Do we have questions?

**Q. I'm not sure if you're aware yet but it was your 14th top-20, victory over a top-20 player at a slam and your 10th I believe over a top-10 player. Just wondering what brings out the best of you at slams against these big names and do you even get nervous when you have to face them early on?**

KAIA KANEPI: I do get nervous, it's not easy to play a tough opponent in the first round, but I think I enjoy playing Grand Slams more and I think the motivation is higher than smaller tournaments.

I try to be more focused and not too emotional when I play in slams.

**Q. I would like to ask you about the WTA and Wimbledon, what do you think about this decision about no points for this tournament?**

KAIA KANEPI: It's very tough to tell. I think it's so and so. I really don't know what to answer. But getting no points is not good.
