ROLAND-GARROS

P. KVITOVA/A. Bondar

7-6, 6-1

THE MODERATOR: Petra, strong performance from you today, can you just talk us through the match a little bit?

PETRA KVITOVA: Yeah, I think starting with her was kind of good in the beginning, but I lost my serve and I think that she really played very well, she was playing aggressive and she served very well, which I didn't from the beginning.

But then she broke me and I found a way somehow back. I played great tiebreak and so this was really helpful for me to win the first set and turn it around from 5-2 down. So definitely it was a good one.

Then I was just playing a little bit more freer and it was just better.
