ROLAND-GARROS

K. MUCHOVA/M. Sakkari

7-6, 7-6

THE MODERATOR: Karolina, congratulations. This was your sixth top win of your career but obviously huge, especially because it's only your fourth tournament back since your injury, so can you speak about how special it is for you?

KAROLINA MUCHOVA: Thank you very much. Yeah, very special win against a very tough opponent on clay, so I really appreciated that I was able to finish it in two sets, that I had a great finish to both of the sets. And, yeah, as you said, it's fourth tournament and just I appreciate the win.
