THE MODERATOR: Tough match today. Can you speak a bit about how the experience was out there today?

SEBASTIAN BAEZ: Well it was a tough match today. I think I have many chances in the five sets, but Alexander was a good player and in the difficult moments he played maybe better than me. So I have to learn a lot of things to in the future take this match.

But this is the best part and I try to be on the way to say to my coach, it's too long, so maybe it's hard, but sometimes this is for learning and to be better in the future.
