## Martina Trevisan

Press Conference

M. TREVISAN/M. Linette

6-3, 6-2

THE MODERATOR: Martina, congrats. So what's your feeling after this win tonight one hour and a half on court, it's great for the second round.

MARTINA TREVISAN: Yes, I'm really happy for my win today and also that I'm happy also that I'm staying on the court for one hour and a half, because I'm coming from a very busy week.

So I try to change the rhythm today because she like flat ball, so it worked, so I'm very happy.

**Q. You had a busy week and very successful week very recently. In what context did it help you for today and according to you what is the feel you improved the most in your game?**

MARTINA TREVISAN: Yes, I think that, yes, of course those two weeks were very busy, but also very tough moment for me, because I won a lot of matches, so of course I came to the court and I was, I mean, I was present, I was there every moment, so, yeah, I think that all the matches that I played in the last few days helped me a lot for today, yes.

**Q. And your own progression, how do you explain it?**

MARTINA TREVISAN: Yeah, I mean just also from Rabat I fight on every ball, I kept improving every day and I think that is what helped me maybe a lot in this match.

**Q. The top-10 win against Muguruza, and then here you've only dropped seven games, so just why are you so dominant, so in the groove?**

MARTINA TREVISAN: Yes, because I'm feel that I'm so focused on every ball and, I mean, it's not weird, because that's, I think it's because I won a lot of matches, but I mean, in this moment I feel that it's my moment, you know? So I'm feeling good on court and I stay there for every ball and I'm not feeling guilty for if I make a mistake, you know? So I think it's for this reason.

**ROLAND-GARROS**

**Q. Quarterfinals here in 2020, just what's your main memories and also here in Paris have you got kind of special routines or places you like to go, because you've done so well here?**

MARTINA TREVISAN: I'm so superstitious so every day I'm doing the same thing since the first day. So here I have a great memories from 2020, of course, and I like here because courts and the bounce, it's very high for me and I can play my best tennis with my lefty forehand.

Yes, I'm do every day routine, as I told you, and then I'm so superstitious, I'm doing the same things every day.

**Q. Your next match against Daria Saville, just your thoughts on that, I think it's the first meeting.**

MARTINA TREVISAN: Yeah, I think so, it's first meeting. I warm up with her this morning, but I know her since long time. And, yeah, I mean, if she beat Kvitova, I think she is in good shape also for her.

So it will be a very tough match, she's a fighter, she run a lot, so I will prepare with my team and do our best, yes.

**Q. What will you need from your side for another deep run here, for another second week?**

MARTINA TREVISAN: I mean, I will keep run, keep fighting and every ball I will try to be focused and try to play my best game here with my forehand, with, I try with my serve, so, and as I told you, I will do the same thing. Like every day.
