ROLAND-GARROS

D. PARRY/C. Osorio

6-3, 6-3

THE MODERATOR: Bad luck today, but maybe the fact that you've been injured and you haven't really played much on clay this year has been a factor?

CAMILA OSORIO: Well, yeah, that's for sure, but also she played pretty well. She's doing amazing. She just beat the No. 1 in the world and yeah she's doing pretty well and of course I couldn't play that much this year and on clay that's favorite surface, but, yeah, what can I do? All I can do is go back to work and do my job as always and yeah, it was an amazing tournament for me no matter what, but hopefully I'll be back and better next year.
