ROLAND-GARROS

A. RUBLEV/F. Delbonis

6-3, 3-6, 6-2, 6-3

THE MODERATOR: Tough loss. How difficult was it, I mean he's a very difficult opponent, Rublev, so very difficult to decertify his will of playing. How did you feel out there and what would you think you could have done maybe if you played another time?

FEDERICO DELBONIS: Well, I think that you say, he's a very tough opponent, well, he's a top guy out there, and for awhile.

And he played such an amazing forehand and serve in many, many parts of the match. He play so fast with his strokes and it was a bit difficult to me to try to be a bit aggressive, but I have to do it.

But I think in a positive way I think I play a very good match. I think that might be the best match that I play since the beginning of the year and I'm happy with my performance and I think I'm looking forward to continue with that kind of level.
