Press Conference

**ROLAND-GARROS**

C. GIORGI/A. Sabalenka

4-6, 6-1, 6-0

THE MODERATOR: Camila, how happy are you, especially with those last two sets when you just lost one game. Can you talk about your performance out there today?

CAMILA GIORGI: I think I played great and my best tennis I think, especially after this year that I didn't play so much, so I'm very happy.

**Q. Firstly, congratulations for your French as well as your tennis. Do you think Sabalenka makes it complex against you?**

CAMILA GIORGI: I don't understand the question.

**Q. Playing against you. Complex.**

CAMILA GIORGI: I think it was a great game. It was very good match and especially out there it's a new stadium so I think it was just really fun to play there. Very nice ambiance.
