**ROLAND-GARROS**

E. COCCIARETTO/P. Kvitova

6-3, 6-4

THE MODERATOR: Congratulations. Can you explain a bit your emotions on how happy you are to have won this match?

ELISABETTA COCCIARETTO: I'm very happy right now. This is I think the best match that I have won in my career, in my little career for now. I won against such a good champion and on such a good court, so for me it's an unbelievable day.

But for sure from tomorrow I have to keep everything the same and practice because I have another round, and it will be a tough match also.

I won a match, but for sure I have to keep going this way.
