## Lorenzo Sonego

Press Conference

**ROLAND-GARROS**

L. SONEGO/U. Humbert

6-4, 6-3, 7-6

**Q. This match against Ugo, did you feel a sense of revenge, you know, from him or for you?**

LORENZO SONEGO: It was tough to play him. I play really aggressive on court. Yeah, he returned so aggressive.

And I tried to mix my serve because it was the key of the match. I served really good from the first set. Then, obviously for me it's more easy to play, and I play a good match.

**Q. Just a question about the ambience of the court, how did you feel it?**

LORENZO SONEGO: The atmosphere was crazy. It was really amazing. I like to play with this crowd. It's really nice.

Yeah, obviously it's tough with a French guy in front of home, but I try to stay focused every point, and I played my best tennis.
