THE MODERATOR: Questions in English.

Q. Last year in Roland Garros you stayed in the second round. This year this is your best performance yet. How do you feel about it?

BEATRIZ HADDAD MAIA: Well, I feel happy. I think I have two different matches. One I played very well since the beginning, and the other one I had, I was playing well until the middle of the match, and then I think she start to play better, but I was not that aggressive.

Yeah, I had to fight. I had to forgive myself and give me one more chance and do not hesitate. So I was trying to push myself into the end, try to be more aggressive.

So I'm happy to be in the third round.

Q. What are your expectations for the next round?

BEATRIZ HADDAD MAIA: Well, I think, yeah, I still don't know who I play, because they are gonna play now. Yeah, I'll try to enjoy tonight and enjoy my win. Tomorrow we are going to think about the match.

But I will try to, yeah, study a little bit, I will watch the match, and yeah, let's see who I'm gonna play against and prepare myself. I think I worked very hard during the last couple of months, and I'll be prepared to go.
