**ROLAND-GARROS**

S. TSITSIPAS/D. Schwartzman

6-2, 6-2, 6-3

THE MODERATOR: Diego, can you give us your feelings after this Roland Garros? Do you stay positive on your tournament?

DIEGO SCHWARTZMAN: Yeah, yeah, it's a positive feeling after many months without winning on the road. I did it today. I think it was a good match from Stefanos and not from a me. I was not in a good level today to try to beat him. But, yeah, like I said, a few positive things thinking about the last few months and how I arrived to Roland Garros. It was a positive Paris for me one more time.
