## Sebastian Ofner

Press Conference

**ROLAND-GARROS**

S. TSITSIPAS/S. Ofner

7-5, 6-3, 6-0

**Q. How do you feel when you hear the crowd cheering your name, even if you play against Stefanos Tsitsipas? What is the feeling? It's amazing, I think, after two weeks of playing in Roland Garros.**

SEBASTIAN OFNER: Yeah, definitely. It was an amazing feeling. The people tried to push me one more time, and, of course, I'm also the outsider, like not so many people know me, so the feeling was amazing.

If I would have broke into 5-1, I would have definitely celebrated. Unfortunately, it was not the case, but the feeling was amazing. Like, I didn't play so many times on the court like this, but if then the people are for you because obviously, it was already more or less the end of the game, but still, it was an amazing feeling.
