### Quick Quotes

GENESIS  
SCOTTISH OPEN 

A Rolex Series Event

**Q. Solid moving day, 3-under sees you at 13-under total for the tournament. How do you reflect over 54 holes?**

RORY McILROY: Yeah, it was good. It was another really good round of golf. Very solid. I feel like I've left a few out there over the last couple of days, but at the same time, at least the last few holes, it was quite tricky conditions.

I played well. It's been a good three days and looking forward to obviously being in the final group tomorrow and seeing how my game holds up under that sort of pressure.

**Q. Obviously got that one shot going into the final round. Are you disappointed it's not more with the golf you've played this week?**

RORY McILROY: No, not really. I'm still in a really good position. As I said, I feel like I've left a few out there but I mean, it's hard to be disappointed when you're in the lead going into the final day. I'll certainly take it.

**Q. Set for some classic Scottish weather with the winds. What will the mindset be heading out there?**

RORY McILROY: Just take it as it comes, really. It looks like it's going to be really, really windy, so just try and control my ball flight as best as I can. It's going to be tough for everyone, just have to remember that, and stick in and try to get it done.
