GENESIS  
SCOTTISH OPEN 

A Rolex Series Event

**Q. Obvious disappointment to bogey the last but on a day when you needed something special to make inroads into a four-shot deficit, how pleased with your day?**

ROBERT MacINTYRE: I'm delighted. The last is a difficult hole, whether it's flat calm, downwind, into the wind, it's difficult and when they put the pin up that top shelf it makes it even harder. Overall I played absolutely brilliantly. Tee-to-green was solid again. Rolled the putter beautifully. Just got to let it happen.

**Q. Seven birdies and an eagle, and the crowd were getting louder and louder as you were going along. What was it like from your point of view?**

ROBERT MacINTYRE: It's brilliant. To come home and have the home support, I said it from the start, I just want to be in with a chance going into Sunday and I've given myself that chance. Back home in Scotland, I said it from the start, it's one I want but I can only control me and I've controlled myself very well so far. I have 18 holes to control myself even more.

I've not been shy in saying it: The Scottish Open is the one I want. It's not going to change tomorrow. I'm in that position. I've been doing good things. I've been playing well. Not just this week but for the previous kind of eight weeks, I feel like my game has been in good shape. Tomorrow is just another round of golf, and I've just got to control me and if I do that well, then I'm going to be in with a chance.
