PGA CHAMPIONSHIP

A Rolex Series Event

**Q. Not a single black on the scoreboard, how did you find it today.**

ADRI ARNAUS: It's always good news when you're not adding any strokes to your scoreboard, so yeah, very, very pleased with how I played. I was very on point from tee, hitting on to the green and then I rolled some putts. So enjoyed it a lot, my first competitive round around here, and it was very, very fun.

**Q. How did you find the course, playing a bit longer than what the players would have been used to, but how does it suit you?**

ADRI ARNAUS: It's definitely playing a bit longer, I would say because it's a touch wet but it's the only way I've seen it, so I don't know how it was playing the other years. They have told me it was running much more on the greens a bit firmer. Just a matter of putting it in place and then attacking from there.

**Q. Good weeks at The Irish Open and Scottish Open. Have you found anything? Obviously these kind of courses are suiting you.**

ADRI ARNAUS: Yeah, I just tried to go in Ireland, getting some adaptation to the Irish weather, the U.K. weather, and I guess I did that in a good way. So Scottish Open was also a lot of fun, even playing in the rain, and so here we are, and try to play some good golf.
