BMW PGA CHAMPIONSHIP

A Rolex Series Event

Q. How pleased are you with the way you forced your way right up that leaderboard?

ANDREW JOHNSTON: Yeah, very. I was driving the ball really well all week and kept saying -- I'm putting well and I kept working throughout the week in my rounds and it clicked a bit more today. Yeah, it was a good day.

Q. So nice to hear the shouts of "Beef" all around the course, getting the fans back here at Wentworth?

ANDREW JOHNSTON: I've missed it. I've missed it. Like that adrenaline the whole way around and hitting shots and the crowd cheering, I've missed them.

Q. Looking back to a year ago, could you imagine you would be where you are, enjoying golf on the golf course and some good rounds, and to pull off a week like this here at the BMW PGA Championship?

ANDREW JOHNSTON: 100 per cent. It's been a strange year, strange year and a half, and it's been like stop, start. I worked really hard up to the Middle East and then I got locked in the room. Couldn't play and didn't play for ages and then got some rhythm and then had a shoulder injury, and it was just like frustration and to have a good week here is a really nice feeling.

Q. Gets the juices flowing again, doesn't it?

ANDREW JOHNSTON: Definitely.
