BMW PGA CHAMPIONSHIP

A Rolex Series Event

Q. Give us your feelings, how you were feeling on the first tee and the emotions you experienced during the round?

LAURIE CANTER: Yeah, I played nicely and holed some nice putts. Felt like if I got to 5-under par -- then just didn't perhaps take advantage of a couple holes.

Q. Did you have a number in mind?

LAURIE CANTER: No, I didn't. To shoot what I shot, I would have thought that had a nice chance, considering I was clear of third place and Francesco, my playing partner wasn't going low.

Q. Disappointing to shoot 5-under in a Rolex Series Event in a final round, you must take some positives from that?

LAURIE CANTER: Yeah, it was a good day. Just working so hard on my chipping and I have been for a while. It let me down last year a little bit. I was trying to play the right shot, hopefully stiff it and win the tournament, but just executed poorly. Didn't get the next one up-and-down.

At the moment, I am disappointed. Probably more disappointed than I imagined to come second. But yeah, at this point in time, I just feel like I would love to have the opportunity to win a huge event.
