BMW PGA CHAMPIONSHIP

A Rolex Series Event

Q. Your first ever time playing the BMW PGA Championship, your first experience at Wentworth; it's going to be a Top-10 finish. How do you reflect on your week?

SEPP STRAKA: Yeah, I'm pretty happy with it overall. Would have loved to have my best stuff here today and yesterday but unfortunately you can't really reach that every time.

Q. While the focus is on the tournament this week, you want to make sure you get in the best possible shape heading to Rome. How far off are we from the very best of Sepp Straka?

SEPP STRAKA: Not far off. I felt there were glimpses out there, especially the first two days ball-striking, yeah, I don't think it's very far off. Hopefully tighten it up next week and bring it to Rome.

Q. Can you give us an idea, having been out in Rome with the rest of the team earlier this week, how excited you are to get there?

SEPP STRAKA: It was a bit of a tease Monday. You wanted to get it going but I heard it goes by fast. So I'll try to take it slowly and take it for what it's worth, so yeah, really excited.

Q. What are you looking forward to the most?

SEPP STRAKA: I think team golf in general. Having somebody there with you the first few times, and then just playing for something bigger than yourself, I think that's huge.
