DP WORLD TOUR

Q. Grant, 71, 68, 65, suggests your game is feeling better by the day. Is that the way it is?

GRANT FORREST: Yes and no. I played really well on Thursday. Didn't putt too well, and then yesterday didn't play as well and managed to roll a few putts in and did both today. Feeling good.

Q. Anything changed over the winter that you've come out hot?

GRANT FORREST: No, just went back to doing what I know -- finding what makes me play well. Then I had a good sort of ten days out here before this week sharpening up.

Yeah, it's a funny old game.

Q. How excited to have an opportunity to win a marquee event like this on the DP World Tour tomorrow?

GRANT FORREST: Yeah, first time I've been in this position in a Rolex Series Event, so really looking forward to tomorrow and see what happens.
