### Quick Quotes

**Q. Try and give us a description of your day out there.**

SHANE LOWRY: It was nice. I was pretty excited when I seen the group, my pairing today and nice to go out there with the boys. Felt like I played well. I played lovely in the Pro-Am today, so I was feeling confident coming in.

**Q. Being paired with Tommy, does that help make it a bit more relaxed out there?**

SHANE LOWRY: Yeah, I believe so. I was paired with him in India the first two days and I shot 64, as well. So yeah, something about me and Tommy. But no, I just like playing with him, your friend, and really good player, too, and you kind of feed off each other. It was nice.

**Q. What aspect of your game are you happy about the most?**

SHANE LOWRY: I rolled the ball well on the greens. I missed a short putt for par, was tricky. Felt like I hit my irons great and gave myself a lot of chances and rolled a few putts in.

**Q. In 2019 you won this championship, and you have a great record here.**

SHANE LOWRY: I have a great record without having a great finish here. First three days here the last few years, been in the final group on Sunday. Watched Paul warring win last year. I remember watching Thomas Pieters win here. I don't know, I just like the place. The condition of it is amazing, and I just see my way around here pretty well. Hopefully I can put four rounds together this week.
