Q. 64, to start here in Abu Dhabi give us your assessment.

ADRIEN SADDIER: It was good day. Good companion with Matt and Ludvig, so happy to be with them. Perfect day. Yeah, I didn't miss any fairway, hit just one green. So just a perfect start to the week.

Q. You had seven birdies in nine holes, some run there. What was going on?

ADRIEN SADDIER: It was just a lot of good shots and a lot of good putts that went in. Just great golf and I tried to take advantage on this occasion.

Q. The wind picked up and changed, how difficult was the last hour?

ADRIEN SADDIER: Yeah, it wasn't the easiest one into the left on the last few holes. You had to aim into the water on the tee shot. It's not easy, but it's golf, you have to play with it and try and enjoy the challenge.
